Thunder Enterprises
Kimball, Marion County, Tennessee

Dear Mr. Thornton:

The Division of Water Resources (the division) acknowledges the receipt of a permit application in our office on May 24, 2017. Rules of the Tennessee Department of Environment and Conservation, Division of Water Resources, Chapter 0400-40-5-.05 (2): *Permit Application, Issuance*, state, in part:

"The applicant will be provided notice of completeness of the application and re-submitted material within 30 days of a determination that such material constitutes a complete application. This provision does not preclude the commissioner from later requesting additional material that subsequent to the notice of completeness is determined to be necessary for permit processing."

Our review of the individual NPDES permit application showed that you have submitted all the information required for considering the appropriate permitting action.

If you have questions, please contact the division at your local Field Office at 1-888-891-TDEC; or, at this office, please contact me at (615) 532-0670 or by E-mail at Vojin.Janjic@tn.gov.

Sincerely,

Vojin Janjic
